

### **Sisterhood of the Moon Distance Rituals**

For those Sister-Queens who live away from the Bay Area and/or are unable to circle with us for whatever reason, we are excited to announce a new option for your participation!

For your Tribute (\$33-\$13 income-based sliding scale), our First Priestess for each ritual will send to you (via email) a pdf ritual outline for use in your solitary practice as well as put your name into our in-person Circle (should you so desire to be named).

You can make your Tribute using any of the [Register](#) buttons on our website.

As our magick is grounded in multidimensionality, you do not need to perform your ritual at the same time as our in-person rite, although you are welcome to do so if you feel so called. We generally begin between 7 and 7:30 p.m. Pacific time.

We look forward to this magickal experiment with you, Dear Ones, and welcome your feedback!

With Love, Lady Jesamyn
